

COMMUNITY DIRECTOR UPDATE AUGUST 1, 2026

COMMUNITY NEWS

Back to School Season is here!

As students return to school, please be mindful of the increased traffic in neighborhoods during morning drop-off and afternoon pick-up times.

When picking up or dropping off students, please do not block sidewalks, driveways, crosswalks, or intersections. Additionally, keep an eye out for children walking or biking to and from school, especially those who may be unaccompanied.

Thank you for helping keep our neighborhoods safe for everyone.

PEST CONTROL REMINDER

Did you know that our pest control provider conducts **quarterly exterior treatments throughout all neighborhoods?** Because these routine treatments are already scheduled, there is **no need to submit a work order for quarterly exterior spraying.**

Please keep the following in mind:

- Submit a work order only if you observe live pest activity.
- Excessive or unnecessary spraying can reduce effectiveness over time by allowing pests to develop resistance to treatment chemicals.
- Pest bait stations are available through Self Help for resident use.
- One of the most effective ways to minimize pest activity is through good household and yard maintenance. Be sure to:
 - Keep your home clean and free of food debris.
 - Dispose of food waste promptly.
 - Keep grass mowed and landscaping trimmed.
